

# LOADSMART REFRIGERATED SHIPPING

## KEEP YOUR COOL. WE'LL HANDLE THE REST.

Keeping temperature-sensitive goods safe from spoilage and damage can be a challenge, especially with unexpected delays or equipment issues.

Loadsmart's reefer network provides a reliable solution with readily available capacity, industry-leading on-time performance, and real-time tracking for both location and temperature, so you are always in control.

### LOADSMART'S RELIABLE SERVICE

In the event of breakdowns, our network's backup capacity ensures your goods stay on schedule. With low claims rates and robust support, we help protect your cargo every step of the way, ensuring your shipments arrive on time and in optimal condition.
